

CalStar Cellars

2019 SAUVIGNON BLANC

Russian River Valley
Sonoma County

Exotic and enticing on the nose with notes of Meyer lemon, ginger, cut hay and wet rock. Supporting aromas of marzipan and green apple emerge after a couple swirls of the glass. The palate mimics the nose with a dichotomy of bracing ocean-like minerality and acidity and juicy citrus and tropical fruit. A lovely creaminess emerges in the finish, bringing everything together.
